Nanaimo Aquatic Centre to close for annual maintenance and upgrades

Summary

The Nanaimo Aquatic Centre (NAC) will be closing for annual maintenance and upgrades starting Monday, September 7 and will reopen Monday, September 28.

The work being done in the pools this year includes pump and plumbing maintenance, upgrading the leisure pool lighting to high efficiency LED, adding the slide and crawl net back on the boat play feature and painting the exterior of the building. Crews will also be adding a new air handling unit for the leisure pool and will be rebuilding the dehumidification compressors on both air handling units for the large pool.

The weight room will reopen earlier this year but with limited hours. From Monday, September 14 through Sunday, September 27 the weight room will be open from 8:30 am to 7:00 pm daily.

Strategic Link: The Nanaimo Aquatic Centre maintenance shutdown supports the Asset Management priority in the 2012-2015 Corporate Strategic Plan.

Quotes

"We are committed to ensuring the long term sustainability of our pools which means closing them for a period of time annually to perform work and deep cleaning that is difficult to do when they are open. We thank the public for their patience and invite them to join us at Beban Park pool and weight room starting September 8."
