

SHOW YOUR **LOVE** FOR BC WATER

Pledge to **conserve** water at
valueofwater.ca for a chance
to win a Whistler weekend
prize package

BC Water Week

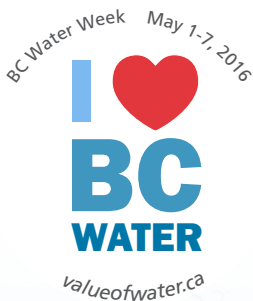

We often take for granted the natural resources as well as the pipes, pumps and people that deliver safe and reliable water and wastewater services to our home and businesses each day. Take a moment to **celebrate the value of our water** resources and systems during BC Water Week from May 1-7, 2016!

We are all stewards of our water systems, for this generation and the next. Help protect our source waters from pollution, practice water conservation year round, and encourage our elected officials to make water and sewer system renewal a top priority for community investment.

Visit valueofwater.ca for details and resources!

What you can do:

- **Take the pledge** to Protect, Conserve and Support our water resources and systems and you'll be entered into a draw to win one of three Whistler weekend prize packages
- **Host an event** in your community to celebrate your local water resources and systems and post your event details to our event calendar
- Download and share our **event planning toolkit** and educational children's activities at home and in your community
- Follow us on Facebook ([/ValueofWaterCA](https://www.facebook.com/ValueofWaterCA)) and Twitter ([@valueofwaterCA](https://twitter.com/valueofwaterCA)) for regular updates and **promote BC Water Week** through your own website and social media channels using the hashtag [#bcwaterweek](https://twitter.com/bcwaterweek)
