Newcastle + Brechin Neighbourhood Plan

Concepts and Options Open House

The City of Nanaimo is undertaking the development of the Newcastle + Brechin Neighbourhood Plan, which includes both the Newcastle and Brechin Hill areas.

This Plan is intended to focus on the specific needs and desires of the neighbourhood while maintaining the objectives and policies of the City's Official Community Plan (planNanaimo).

You are invited to attend the **Open House** to review **Concepts and Options** for the Neighbourhood Plan and comment on our progress to date. This is a great opportunity to see how public input is helping to shape the Newcastle + Brechin Neighbourhood Plan.
