

New! Grade 6 Stay Active Pass

Application Form

We want to encourage children who participated in the Grade 5 Active Pass to stay active! Bring in your Grade 5 Active Pass from last year and we will load it with 12 visits to our facilities.

If you were born in the year 2000 but did not participate last year, please bring this completed application form along with proof of date of birth to a registration desk at any Nanaimo Parks Recreation and Culture facility so we can print your new card loaded with 12 free visits!

It's that easy to get and stay active!
