

City Looking for Feedback on Leisure Guide

For Immediate Release

October 23, 2009- The City's Parks, Recreation , and Culture Department is looking for public input on the latest Leisure Guide publication (Fall/Winter 2009/2010) which was released in late August. Residents are being asked to complete an online survey through the City's website, www.nanaimo.ca , or complete a survey form at any of the recreation centers throughout town.

"The intent of the survey is to find out if the publication is working for Nanaimo residents, what they like about it, and what we can do better. As our key communication tool we need to make sure it is still serving its purpose," explains Elizabeth Williams, Marketing Manager with the City Parks, Recreation and Culture Department.

The survey will be available until Friday, November 20th. If you have any questions about the survey or the departments services please call 250 756 5200.
