Quarterway Bridge Upgrades/Bowen Road Improvements Open House

**Wednesday, June 24, 2009
4 pm- 8 pm
Beban Park Auditorium
2300 Bowen Road**

The Quarterway Bridge was built in 1939. It has reached the end of its functional life and to ensure safe operation needs to be replaced.

The City of Nanaimo works with ICBC to improve road safety. ICBC prepared a Road Safety Audit of the area on Bowen Road between Pryde Avenue and Buttertubs Drive. ICBC has recommended that Bowen Road be re-aligned, widened, and the number of access points reduced.

The Open House is part of a series of 3 Open Houses held on the Quarterway Bridge Upgrades/Bowen Road Improvements project. The City of Nanaimo welcomes comments as the project progresses. City staff will be available for your questions.
