Woodstove Changeout Program

Rebates still available – starting July 19, 2010

Trade-in your old smoky belcher for a new **EPA or CSA certified CLEAN BURN** technology **WOOD, PELLET, GAS** stove or insert.

With 42 rebates remaining, you could receive a \$250 rebate! Pick up your voucher at participating retailers.

For more details, go to www.nanaimo.ca or call 250-755-4483.

Questions? E-mail woodstovechangeout@nanaimo.ca.

SMARTER BURNING, CLEANER LIVING

Did you know that by upgrading to Clean Burn technology you can...

- Save firewood and time (efficient woodstoves use 1/3 less wood)
- Reduce woodsmoke emissions by up to 90%

Smart Operating Practices

- Burn seasoned wood (split and dried for at least 6 months)
- Don't let fires smolder
- Do not add accelerants, paper, chemically treated wood, plastics, rubber, or other noxious materials to your fire and air you breathe!
