

The City of Nanaimo Woodstove Changeout Program will end on April 30, 2010

Trade-in your old smoky belcher for a new EPA or CSA certified CLEAN BURN technology WOOD, PELLET, GAS stove or insert.

Receive up to \$150 in retailer discount! PLUS, customers can still receive an additional \$250 rebate! Pick up your voucher at participating retailers.

Visit www.nanaimo.ca for program details, or call (250) 755-4483.

Questions? E-mail woodstovechangeout@nanaimo.ca.

SMARTER BURNING, CLEANER LIVING

Did you know that by upgrading to Clean Burn technology you can...

- Save firewood and time (efficient woodstoves use 1/3 less wood)
- Reduce woodsmoke emissions by up to 90%

Smart Operating Practices

- Burn seasoned wood (split and dried for at least 6 months)
- Don't let fires smolder
- Do not add accelerants, paper, chemically treated wood, plastics, rubber, or other noxious materials to your fire and air you breathe!
