Skill Drill 22-1

Fire Fighter II, 5.1.2

Operating Within the ICS					
Evaluator Instructions: The candidate shall be provided with the following: simulated emergency, an Incident Command System, and a fire department radio. The Incident Command System should be used as much as possible during training scenarios throughout the training programme. This skill sheet should be evaluated on an ongoing basis throughout the training programme.					
Task: Functioning within an assigned role within the Incident Command System at a simulated emergency.					
Performance Outcome: The candidate shall be able to function within an assigned role within the Incident Command System at a simulated emergency.					
Candidate Directive: "Function within an assigned role within the Incident Command System at a simulated emergency."					
No.	Task Steps	First Test		Retest	
		P	F	P	F
1.	Verify that the ICS is in use.				
2.	When given an assignment, repeat that information over the radio to verify it.				
3.	Assess the scene, hazards, equipment, and PPE to ensure your safety.				
4.	Account for yourself and for other team members.				
5.	Update your supervising officer regularly.				
6.	Provide personnel accountability reports as necessary.				
7.	Report completion of each assignment to your supervising officer.

Fire Fighter II, 5.1.2

Transferring Command					
Evaluator Instructions: The candidate shall be provided with the following: simulated emergency, an Incident Management System, and a fire department radio. The Incident Management System should be used as much as possible during training scenarios throughout the training programme.					
Task: Transferring command at a simulated emergency.					
Performance Outcome: The candidate shall be able to transfer command.					
Candidate Directive: "Transfer command at a simulated emergency."					
No.	Task Steps	First Test		Retest	
		P	F	P	F
1.	Establish the ICS.				
2.	Follow departmental procedures for transferring command.				
3.	Transfer command in a face-to-face meeting, if possible. If not possible, transfer command over the radio.				
4.	Communicate to the incoming command officer the tactical priorities, action plans, hazardous conditions, potentially hazardous conditions, accomplishments, effectiveness of operations, status of resources, and need for additional resources.				
5.	Formally announce the transfer of command over the radio.
