May Richards Bennett Pioneer Park Opening Event

Celebrating the 7.5 acre addition to the existing park site

Summary

Today, the City of Nanaimo celebrated the expansion of one of north Nanaimo's most popular parks. May Richards Bennett Pioneer Park increased in size by 7.5 acres to make it 27.5 acres as part of a land exchange deal with Nanaimo Ladysmith Public Schools. The Mayor, members of Council, representatives from Nanaimo/Ladysmith Public Schools and Friends of Pioneer Forest, an advocate group for the park, were on site at the park to observe this milestone.

Formalized on March 12, 2013, the City of Nanaimo and Nanaimo Ladysmith Public Schools entered into a process to exchange select parcels of land. The exchange also includes additional land added to Oliver Woods Park, as well as Harewood Sports Field along Fifth Street.

Strategic Link: This land exchange was a result of a partnership with Nanaimo Ladysmith Public Schools; Building Community Partnerships has been identified as one of the strategic priorities in the Corporate Strategic Plan.
