Beban Pool & Weight Room to Reopen September 2

Summary

Work that was done included converting from chlorine gas to chlorine pucks, retro-fitting the sauna and steam room, polishing the water slide, tuning up the diving board, replacing filters, maintaining the pumps, cleaning and grouting the tanks, removing the pirate ship play feature and installing new lockers in the change rooms. The weight room added one new piece of equipment, was repainted, equipment was maintained and some mirrors were replaced.

The whole Beban facility including the social centre and both arenas will be closed on Saturday, August 30 for electrical maintenance. Nanaimo Ice Centre, Oliver Woods Community Centre and the front desk at Nanaimo Aquatic Centre will be open for fall and winter program registration that day.
