Traffic Signal complete at Highway 1 and Haliburton Street

Summary

Installation of a new traffic signal at the intersection of Highway 1 and Haliburton Street / Old Victoria Road is now complete. The signal will be operational on Wednesday October 14. Further construction including watermain installation between the new traffic signal and Aebig Road can be expected later this fall.

Strategic Link: Transportation and Mobility

Key Points

- Upgrades to this intersection were completed to address safety concerns.
- This project was undertaken in partnership with the Ministry of Transportation, the City of Nanaimo and ICBC.

Quotes

"The completion of the signal to address the safety concerns at this intersection will greatly improve the safety for those passing through this intersection."

Gord Foy
Manager of Transportation
City of Nanaimo
