Looking for something for someone on your stocking stuffer list?

The Service and Resource Centre has something for everyone!

Summary

Looking for a stocking stuffer for that special person in your life - well look no further, how about tags for additional garbage bags over the holidays \$3.00 each, a yellow recycling bag and recycling guide would pair well. We also sell Regional District of Nanaimo Transit monthly and day passes or books of ten tickets for all riders. A Brechin Boat Ramp Annual Parking Pass would be handy for the water sports person in your life, valid for one year from date of purchase. A payment to a City of Nanaimo dog, utility, or monthly parking pass account would be a nice surprise for that really difficult person to buy for. Or maybe a handout or guide for information on a City Park or Program.

Come and see us at the Service and Resource Centre, located at 411 Dunsmuir Street across from City Hall.

Happy Holidays to everyone from all of us at the Service and Resource Centre.

Strategic Link: Taking Responsibility to be an excellent municipal government by communicating and engaging with the community.

Key Points

- The Service and Resource Centre is not just for paying your taxes and picking up your Building Permit.
- The Service and Resource Centre is welcoming suggestions from the community on collaborative municipal services that could be provided from our location.
