A reminder to keep boat launch parking clear for watercraft users

Summary

The City of Nanaimo would like to remind residents the Brechin Public Boat Launch facilities and parking are available for the purpose of loading and unloading pleasure and commercial crafts only. This requirement ensures that the surrounding parking facilities associated with pleasure and commercial boat use are readily available for boat users.

Strategic Link: Taking responsibility to be an excellent municipal government.

Key Points

- The ramps and associated parking area are open for the use of pleasure and commercial craft launchers only.
- Boat Launch parking facilities are regulated by means of fines or towing.
- The City is committed to supplying facilities and services that meet the recreational needs of the community.

Quotes

"With the warmer weather more people are wanting to get out in the water. We ask that residents be mindful of where they park in the vicinity of the Brechin boat launch so everyone can have access to it."
