

NEWS RELEASE

Distributed July 16, 2016

Road construction planned for Terminal Avenue - Stewart Ave to St George St

Delays expected

Summary

Motorists are advised that crews will be working on Terminal Avenue between Stewart Avenue and St George Street Tuesday, July 19th through Friday, July 29th. The work is being undertaken to address structural road failures in preparation of road resurfacing in 2017. Motorists should anticipate delays and are encouraged to use alternate routes.

Strategic Link: Asset Management - this road construction is part of the work necessary to ensure that municipal roads maximize their life expectancy.

Key Points

- Road maintenance construction is part of an efficient asset management program.
- Motorists should anticipate lengthy delays and should consider alternate routes.

Quotes

"Road Rehabilitation Construction on Terminal Avenue has been scheduled to minimize delays to motorists, but lengthy delays should still be anticipated. We encourage people to consider alternate routes and appreciate your patience when driving through our construction site."
