Automated Residential **WASTE COLLECTION**

Coming to Nanaimo!

The City of Nanaimo is introducing automated waste collection to central Nanaimo starting this fall.

The rest of the City will receive service in summer 2018.

Automated collection:

- offers you a set of easy-to-use carts
- is cleaner and safer
- makes recycling more convenient
- allows you to include yard waste in with your kitchen waste
- offers cost-efficient service delivery

Informational Display

Come and check out our informational display at Woodgrove Centre from July 4 to October 31.
