Two weeks left in Alternative Approval Process for Fire Station Rebuild

Process runs until May 4

Summary

The Alternative Approval Process (AAP) to gain resident's permission to borrow funds to rebuild Fire Station #1 has passed its halfway mark. Eligible voters in Nanaimo have two weeks left to vote against the borrowing bylaw and may do so by filling out a response form available at City Hall and on the City website.

As in an election, each eligible voter is permitted one response. Completed forms must be dropped off or mailed to City Hall by 4:30 p.m. on Friday, May 4, 2018; the City cannot accept copies of forms or ones that are emailed or faxed.

Please view the informative video about this AAP, available on the online version of this news release. Key Points

- The Alternative Approval Process runs from Tuesday, April 3 through to Friday, May 4 at 4:30 p.m.
- Residents who DO NOT wish to borrow the funds to rebuild Fire Station #1 may fill out an Elector Response Form and hand it in or mail it to City Hall. All forms must arrive by 4:30 p.m. on Friday, May 4, 2018. Forms can be mailed to the attention of the Corporate Officer, Legislative Services, City Hall, 455 Wallace Street, Nanaimo, BC V9R 5J6.
- If 10% or more of eligible voters submit an Alternative Approval Process form in opposition, the borrowing bylaw will be brought back to Council to determine if Council would like to proceed with the matter and next steps.

Quick Facts

- The Fire Station #1 Borrowing Bylaw 2018 No. 7257 which received three readings of Council on February 19, 2018, will see the City borrowing a sum not exceeding \$17,000,000, repayable over a period of no more than 20 years.
- During their meeting on Monday, February 19, 2018, Nanaimo City Council voted to conduct an Alternative Approval Process to gain permission from residents to borrow funds for the rebuild of Fire Station #1. The bylaw was then sent to the Province for their approval.
- Councils most commonly use an AAP to gauge public opinion - it is a less expensive option than using Assent Voting (also known as a Referendum) and can be used whenever the legislation requires the City to obtain permission from the electors.
