Key Points

- A passerby alerted the City of the dump site in the 3700 block of Shenton Rd just past 6:30 am on August 26, 2018.
- City crews were called in and were able to clean up the 3,400 kilograms of waste dumped on the side of the road.
- Anyone with information who wishes to remain anonymous, may contact Crime Stoppers at www.nanaimocrimestoppers.com or at 1-800-222-8477.

Quotes

"It took a City crew equipped with trucks and a front-end loader hours to clean up a load of over three tons of household garbage that had been dumped on Shenton Road over the weekend. It appeared that the debris had been compacted, as if it had been transported in a commercial garbage truck. This incident not only polluted the neighborhood, but also posed a risk to blocking storm water drainage and sewer systems. Anyone with information is asked to contact police or bylaw services."
