

The City of Nanaimo presents:

# THE TIES THAT BIND

Wednesday, February 20, 2019 | 7:00 pm @ Nanaimo Museum

Please join us at the 2019 Heritage Summit for a presentation by Christine Meutzner, Nanaimo Community Archives, where she will discuss how Nanaimo's many railways shaped our economy, neighbourhoods, and identities. In addition, Aimee Greenaway (Nanaimo Museum Curator) will provide a short presentation on the Museum's latest featured exhibit "Nanaimo Mysteries". Highlights from the new feature exhibit include historic murders, a safe cracker, a forgotten ski hill and Cadborosaurus sea monster.

The presentations will be followed by a roundtable discussion with groups in attendance sharing their mandate, recent accomplishments and upcoming projects.

Everyone is welcome to attend.
