

NEWS RELEASE

Distributed March 11, 2019

Council seeking feedback on their new Strategic Plan

Summary

A draft version of the 2019-2022 Strategic Plan is now online and Council is seeking input from the community. Residents are invited to view the plan online and email their comments to PublicEngagement@nanaimo.ca prior to March 31, 2019.

Council's Strategic Plan will provide a guide for the next four years and beyond. It is used to identify strategic priorities, help determine future projects, inform decision-making and place focus on the needs and interests of the community.

The draft 2019-2022 Strategic Plan was developed through an open planning process over the past number of weeks. Council has identified four strategic themes for the plan:

1. Governance Excellence
2. Environmental Responsibility
3. Economic Health
4. Livability

Under each of these priorities is a list of focus areas that support and help the City deliver on their strategic themes. Comments received by the public will be compiled and reviewed by Council at an upcoming meeting.

The draft 2019-2022 Strategic Plan can be viewed on the City's website at www.nanaimo.ca.

Strategic Link: Giving citizens the opportunity to provide input on Council's Strategic Plan is a key component to being an excellent municipal government.

Key Points

- A draft version of the 2019-2022 Strategic Plan is online now
- Residents are invited to email their comments to PublicEngagement@nanaimo.ca
- Council will review comments received by the public at an upcoming meeting

Quotes

"Council's Strategic Plan represents the values and priorities that are important to us, and for which we were elected. Receiving feedback from the community is an important part of the planning process and we look forward to hearing from residents."

Leonard Krog
Mayor
City of Nanaimo
