City of Nanaimo to host third annual Car Trunk Sale

Registration now open for vendors

Summary

The City of Nanaimo is pleased to bring back the popular Car Trunk Sale for its third year. On Saturday, July 27, 2019 from 9 am to 2 pm, residents looking for a bargain or a unique buy, can join over 100 vendors selling used items from the trunk of their car in the Country Club Centre parking lot. This free-to-attend reuse event aims to give unwanted household items a longer lease on life and to reduce the amount of waste sent to landfill.

Residents interested in becoming a vendor at the Trunk Sale must register in advance to reserve their spot by emailing sorttossroll@nanaimo.ca.

Strategic Link: Supporting Environmental Responsibility and Social Equity by extending the useful life of household items.

Key Points

- The Trunk Sale promotes the reuse and recycling of unwanted “garage sale” type items. No retail-type booths or sale of new items will be permitted. The only new items permitted for sale are items made from recycled materials.
- The trunk sale can reduce the amount of waste going to landfill by giving used household items a new lease on life.
- Trunk Sale visitors can also learn more about City programs for waste collection and recycling.
- Registration for spaces for vendors is on a first come, first served basis. There are a total of 150 vendor spaces available.
