Section of Bruce Avenue to close for utility and street upgrades

Construction expected to last until fall 2019

Summary

Starting July 16, 2019, Bruce Avenue will be closed between Pine Street and Fourth Street while planned utility and road construction work takes place. The closure will remain in place until construction is completed in fall 2019.

Construction works include:

- Water main upgrades,
- Sanitary and storm sewer upgrades,
- New concrete curbs and sidewalks on the west side of Bruce Avenue,
- Safety upgrades at the intersection of Bruce Avenue and Fourth Street,
- New LED street lighting, and
- New on-street bike lanes which will connect previously completed sections of the Harewood Bikeway.

A detour using Pine Street and Fourth Street will be setup to direct traffic around the work zone. The intersection of Fourth Street, Albert Street and Pine Street has also been changed to a 4-way stop to assist with detour traffic. Access will be provided for local residents and businesses within the construction area.
