"I hope everyone will make sure to see these amazing examples of our vibrant art community's talent and creativity" said Mayor Leonard Krog. The new artworks will be installed throughout the City in May of 2020 as part of Public Art Week.

"Public art enhances community and place, celebrating our past, present and future", said Chris Barfoot, Culture Coordinator. "Community members are constantly commenting on how public art adds visual interest and vibrancy to our public spaces."

Since 2010, the City of Nanaimo has been involved in a dynamic and evolving temporary public art program that enhances and animates our City's parks. Each year, outdoor artwork is installed on a temporary basis for the enjoyment of residents and visitors. City parks and spaces essentially become outdoor art galleries and showcase artworks for a limited period of time.
