Grow with us in 2020

Spring & Summer Activity Guide is ready for pick up

Summary

City of Nanaimo Parks, Recreation & Culture have put together another fantastic Spring and Summer Activity Guide to help keep you and your families active. You can view it on-line now and the guides have arrived early and are being distributed for pick up at City recreation centres, libraries, local malls and grocery stores. Registration for all programs opens Wednesday, March 4 at 6:00 am.

This season a new tag line "Grow with us" is being launched as Parks, Recreation & Culture grow right alongside the community offering programs for little ones, such as Baby Ballet, all the way to exercise programs for seniors. We also cultivate green growth with the addition of new parks and trails each year. The guide consists of activities and events for all ages at facilities and parks throughout Nanaimo, as well as information on other community programs and clubs. Look for new items such as free pop-up programs, evolve skate & scooter camp, gardening programs and more. Local favourites such tennis, dance, music, skating and summer camps are still available.

Mark your calendars. Registration begins Wednesday, March 4. We encourage you to "grow with us" and try something new!

Strategic Link: To be a community that is livable, environmentally sustainable and full of opportunity for all generations and walks of life.
