Materials and recordings from these meetings can be found at www.nanaimo.ca/meetings.

Strategic Link: Providing opportunities for public input supports the strategic priority of Governance Excellence.

Quotes

"This is the City's seventh year of hosting a Budget eTown Hall. Due to COVID restrictions, this year we encourage residents to submit their budget-related questions online or by phone. We have set up a hotline so that residents who don't have ready access to a computer or prefer to be in person can call in their questions live during the eTown Hall."
