Beban Pool undergoing repairs

Summary

Swimming schedules at both the Nanaimo Aquatic Centre and Beban Park Pool will be temporarily modified to accommodate as many patrons in the pools as possible while Beban Pool undergoes repairs.

Work is underway to repair the Beban Park 25 metre pool; however, beginning October 25, 2021, patrons will be able to use the leisure pool, hot tub, steam room, sauna and teaching pool from Monday to Friday. The temporary schedule at Beban will accommodate the public for drop in swim sessions and participants in swimming lessons. In addition, the Beban Park weight room will be open weekdays, and there will be swimming available at Beban Park Pool when Nanaimo Aquatic Centre is hosting various meets this fall season.
