Nanaimo named host city for the 2025 55+ BC Games

Successful bid will bring the 55+ BC Games to Nanaimo; first time since 2007

Summary

The City of Nanaimo is pleased to announce that Nanaimo has been selected as the host city for the 55+ BC Games in 2025.

The announcement, made earlier today by the BC Senior Games Society, is the result of a successful bid compiled and submitted earlier this year by the City of Nanaimo and Tourism Nanaimo. The bid submission was supported by our partners Snuneymuxw First Nation, Nanaimo Ladysmith Public Schools and many local sports organizations.

The 55+ BC Games were last hosted in Nanaimo in 2007 and featured over 3500 athletes participating in 26 sporting events. The 2025 event will be hosted over a five day period, Sept. 9-13 and will include opening and closing ceremonies, a social dance and up to 30 different sport competitions throughout the city. Athletes from across BC will compete in activities ranging from swimming to slo-pitch, which showcase many of the outstanding sporting facilities Nanaimo is known for.

The 55+ BC Games also provide an excellent opportunity to promote sport tourism to our region. A 2022 Economic Impact Report estimated that the 55+ BC Games has a \$6.5 million impact on host communities.
