## Drop-in Swim Session Descriptions

**Everyone Welcome:** Enjoy all that Beban Pool has to offer! With warmer water and a quieter atmosphere, it's the perfect escape for wellness and fun in our busy lives! Be active and dive, play, float, jump, swim and slide...or simply relax in one of the hot areas.

**Leisure Swim:** With its accessible beach and varying depths, the Leisure Pool is perfect to support those developing their swim skills or wanting to use water therapeutically for injury recovery. Float, walk or swim around the river, play in the spray features or practice your swim skills. The hot tub, steam room and sauna are open, in addition to the shallow, warm Teach Pool which is great for toddlers and preschoolers with their caregivers.

**25 Metre Lanes:** Our main tank is set up for length swimming or water running.

### AQUAFIT DESCRIPTIONS

**Therapy Aquafit:** Improve your mobility with this low impact class. The focus is on movement, range of motion, balance, strength and stretching. Water therapy is highly recommended for people with arthritis, joint replacements, pre and post surgery and those with limited mobility.

**Shallow Water Aquafit:** This is a high intensity cardio workout without the impact you'd find with dry land aerobics. Open to all levels of ability. Feel free to ask the instructor for modifications.

**Deep Water Aquafit:** Strengthen and tone your body with this zero impact class. You'll achieve excellent cardio and strength training using water as resistance. Classes are done in deep water wearing a floatation belt.
