REQUEST FOR TENDER No. 2274

DIANA KRALL PLAZA AND ANCHOR WAY GUARD RAIL REMEDIATION
DIANA KRALL PLAZA MEMBRANE REPAIR

Addendum No. 1

October 25, 2018

This Addendum shall form an integral part of the project scope of Work and shall be read in conjunction therewith. This Addendum shall take precedence over related specifications as they relate to the information below, and of the previously issued scope of Work with which it may prove to be a variance, unless otherwise clarified by the City.

Please note that all Bidders shall sign and include this Addendum with their submission. Failure to do so may result in a non-compliant submission and the bid may be rejected.

Amended Sections/Information:
On Page 28, Lump Sum Price is required to complete the Water Supply Pipe Capping Project as specified in Section 4.0 Project Specifications and in accordance with the RFT documents. I believe this is an error, as this project is for a guardrail remediation.

DELETE:
Schedule A – Bidder’s Price Sheet

REPLACE WITH:
Schedule A - Bidder's Price Sheet - Revision 1 - October 25, 2018

Bidder: ________________________________     Date: ___________________

Signature: ________________________________________________________

Note: All forms that require a signature must be signed by a person authorized to legally bind the Bidders to statements made in response to this RFT.

End of Addendum 1
