Fees & Charges

- Wherever possible, fees & charges will be used to assign costs to those who benefit from the service provided. The proportion of the costs recovered by fees and charges will vary with the nature of the service provided.

Proceeds of borrowing

- Borrowing will be considered when determining the funding sources of large capital projects that provide benefits to taxpayers over a long period of time (20 years or more).
- Council will consider a policy to identify an appropriate level of debt for the community.

Other sources of revenue
