SWIMMING INFORMATION

Please read carefully and complete the following section on swimming information.

To help our leaders ensure the safety of your child while in the water, please read the following criteria and indicate if your child is a **GREEN** (strong swimmer), **YELLOW** (moderate swimmer), or **RED** (weak swimmer). Please circle the appropriate column below.

	<input type="checkbox"/> GREEN	<input type="checkbox"/> YELLOW	<input type="checkbox"/> RED
Criteria	At least 7 years old <u>and</u> has COMPLETED Swim for Life Swimmer 4 (within the last six months).	At least 7 years old and has NOT completed Swim for Life Swimmer 4 (or completed it longer than six months ago). OR May not be in deep water (over their head/can't touch) without a lifejacket.	5 or 6 years old AND/OR must wear a lifejacket at all times while swimming.
Details	Green swimmers are allowed to swim in all areas of the pool (including deep water) without a lifejacket or direct leader supervision.	Yellow swimmers may swim without direct leader supervision, but have restrictions on which areas of the pool they can access without a lifejacket. In order to swim without a lifejacket, children must be able to touch the bottom at all times (no deep water).	Red swimmers must stay within an arm's reach of a leader at all times, and must wear a lifejacket (unless they have completed Red Cross Swim Kids level 4 within the last six months).

If you are unsure of your child's swimming level, please check here: ☐

PERMISSION

I understand that my child will be participating in a variety of recreational activities, both on site and off site while they are registered in camp, and give permission for them to participate. I also understand that children may be transported to and from these activities via public transit. In the event of an emergency, I authorize camp leaders to seek medical attention for my child, including calling an ambulance and/or emergency contact person(s), as listed on the front of this form. I understand a copy of this form and the information included on it may be provided to medical personnel if necessary.
