Flex Fire Fighters work full time hours but are scheduled to best meet the department's operational needs and therefore are not guaranteed a regular schedule and must be available for short-notice schedule changes. Flex Fire Fighters are required to reside within one hour's travel time of the City's fire halls in order to be able to meet the on-call nature of the Flex Fire Fighter position. One hour's travel time means one hour driving time in a passenger vehicle (car, truck or SUV) at the posted speed limits from the employee's home to the furthest most station for the scheduled shift start times of 8:00 am and 6:00 pm.
