## I SPY WITH MY LITTLE EYE ON EARTH DAY...

Something that can be found outside that is brown \_\_\_\_\_

Something that can be found outside that is green \_\_\_\_\_

Something that can be found outside that is soft \_\_\_\_\_

Something that can be found outside that is hard \_\_\_\_\_

Something that is covered in earth/dirt \_\_\_\_\_

Something that is growing out of the earth that is green \_\_\_\_\_

Something that is wiggling out of the earth that is brown \_\_\_\_\_

Something that is taller than 50 feet tall \_\_\_\_\_

Someone who is or something that is older than 50 years old \_\_\_\_\_

Something that I should put in my "Green Bin" (see [www.nanaimo.ca/city-services/garbage-recycling](http://www.nanaimo.ca/city-services/garbage-recycling)) \_\_\_\_\_

Something that I should put in my "Blue Bin" (see [www.nanaimo.ca/city-services/garbage-recycling](http://www.nanaimo.ca/city-services/garbage-recycling)) \_\_\_\_\_

A plant in nature that is native to this area \_\_\_\_\_

A plant in nature that is invasive to this area \_\_\_\_\_

Check out our website ([www.nanaimo.ca](http://www.nanaimo.ca)) for information on the City of Nanaimo Drop Zone where you can take your invasive plants. These Drop Zones take place on May 2 (Linley Gyro Park) and May 30 (Bowen Park Upper Picnic Shelter) from 10 am-2 pm. We will be practicing physical distancing at these sites.
