Our River Our Mountain Our Ocean – by Connie Paul

Our river
Our mountain
Our ocean

This land does not belong to you or I. It belongs to our
great great grandchildren.

We need to
Take care of our rivers
Take care of our mountains
Take care of our ocean

We need to work collectively,
One body
One mind
One spirit.

The legacy of our decisions today,
our children will write tomorrow.

Hay ch q'a/Thank you
