

COMMUNITY ENGAGEMENT COMMITTEE

Mission Statement

Our goal is to work alongside fellow residents, City Council and staff to design, implement and refine a community engagement pilot program which provides a clear and accessible means for citizens to discuss their thoughts and ideas with the community and its leaders.

Indicators of success:

- Residents feel that they have influence in identifying which topics are important to them;
- Residents understand how to participate, and feel welcome and able to do so; and
- Residents feel that their input is valued.
