

# ALBERT STREET

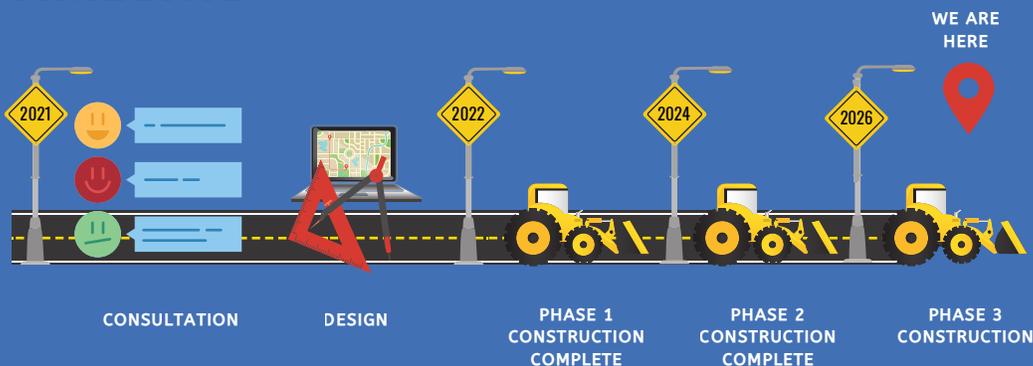

## CROSSWALK & BIKE LANE IMPROVEMENTS

Each year, the City of Nanaimo undertakes capital improvement projects to make our streets safer and more comfortable for everyone. As part of City Council's annual program to improve pedestrian facilities, several upgrades along the Albert Street corridor have been combined into one coordinated project, including two raised crosswalks with flashing pedestrian beacons and painted bike lanes. Albert Street and Fourth Street form the most direct route between Vancouver Island University and Downtown. Phase 3 is the final phase needed to complete this connection.

Construction is expected to last about two months, weather and material lead times permitting. Sub-contractor availability may also result in periods of time when limited work is occurring. During active construction, please detour or allow extra travel time when navigating the area.

## TIMELINE

# PROJECT UPGRADES INCLUDE:

- 1 PEDESTRIAN FLASHERS**  
Rectangular Rapid Flashing Beacons at both raised crosswalks.

- 3 CURB RAMPS**  
New pedestrian letdowns with tactile warning indicators for those with low vision or mobility.

- 2 RAISED CROSSWALKS**  
Two new raised crosswalks, one at Selby Street and one at Dufferin Street.

- 4 BIKE LANES**  
Dedicated buffered cycle lanes.

## TRAFFIC MANAGEMENT

- Access into all businesses will be maintained and construction will not affect business hours.
- Construction signs will be posted and flag persons will be on duty to assist with the traffic flow.
- The City will continue to post traffic updates on social media as construction progresses.
- Please exercise caution, obey all signage placed for your safety, and follow the directions of the flag persons on duty.
- If you have young children, please advise them of the dangers and limited visibility of heavy equipment and trucks.
- New printable construction notices have also been created for businesses that are interested in placing something on their front desk for customers. Please email [Albert.Street@nanaimo.ca](mailto:Albert.Street@nanaimo.ca) if you would like to be sent this file.

**PLEASE DETOUR OR ACCOUNT FOR EXTRA TIME WHEN NAVIGATING THE AREA.**

**CONSTRUCTION ZONE**

Your cooperation and patience is greatly appreciated for this final phase!
