Get Involved in Phase 2 of REIMAGINE NANAIMO today!

25 Jan 2021

Last summer and fall, our community shared many great ideas for Nanaimo's future. Now, it's time to choose our path forward. What are some of the big moves Nanaimo should make as we grow from 100,000 today to a potential future of 140,000?

Phase 2 is our time to explore. It's where we get to confirm our goals, test possible directions, and discuss the big ideas that will form the basis of our City Plan.

You choose how you get involved:

- Provide your feedback now on a **Draft Framework, Goals & Indicators** through our online feedback form. It will only take about 10 minutes.
- Register to participate in the upcoming **Our City, Our Choices Scenario Workshops or Self-Guided Review!** These will be happening from July through September and will be your chance to collaborate with others to plan for new growth and change in Nanaimo.
- Great local prizes for participating.
- There will be more opportunities to get involved as we come together to test ideas.
