

Hazardous Materials Summary Form

BUILDING PERMIT NO: _____

DATE: _____

This form is to be completed and submitted in association with an application for a Building Permit where the proposed works include **alterations or renovations within an existing structure**.

The information provided here is intended to assist the Building Official in determining if a Hazardous Material Survey report, in compliance with WorkSafeBC Guidelines Part 20, has been completed. If a Hazardous Materials Survey report has not been completed, the Building Official will request further information regarding the scope of the project, and the presence of any potentially hazardous-containing materials, prior to the entry of the structure. If deemed necessary, a Building Official may ask that a report be produced. If a report prepared by a qualified person (as per WorkSafeBC Guidelines Part 20) cannot be produced, the Building Official may stop the inspection to ensure his/her safety.

Project Address: _____

Applicant: _____

Was the existing building constructed prior to 1990?

Yes No

Has a Hazardous Material Survey report as per WorkSafeBC Guidelines Part 20 been completed for this structure?

Yes No

Please note, if a Hazardous Materials Survey report has been completed, documentation, including the report and evidence that the material was removed and disposed of properly, must be available and produced upon request for inspection purposes. Once the hazardous materials are removed, an "All Clear" letter must be posted, signifying the building is safe to enter.
