RE: (Legal Description of Property)

Subdivision of: Lot _____ Plan _____ D.L. _____ District _____

Street Name _____

I, _____, the registered owner of the property, hereby authorize the City of Nanaimo to install at my cost, services required for final approval of the subject subdivision. The services referred to include:

Lot	Service Type	(A)	
		Size	Bylaw Charge

Total (A) \$ _____

Attached is a payment in the amount of \$ _____ for the work(s) described above.

I understand that:

1. The work described above will be done by City of Nanaimo forces and installed at locations selected by the City. In the event that rock or contaminated soils are encountered, or a requirement to complete work after hours, e.g. Ministry of Transportation permit requirements, "at cost" charges will apply in addition to the charges in column (A).

I acknowledge that payment for work described above will be made by me prior to final approval of the Subdivision plan, or, within 30 days following the billing date, whichever comes first.

I confirm that the preferred locations for the services have been staked on site, and that the new proposed property boundaries have been flagged/posted, by a B.C. Land Surveyor.
