CITY OF NANAIMO
THE HARBOUR CITY
PARKS, RECREATION & CULTURE

Welcome to the Fall Activity Guide!

150 years ago, the City of Nanaimo became the sixth municipality to be incorporated in British Columbia. As we celebrate 150 years of community service, there is no better time to explore the programs, events and services offered by Parks, Recreation and Culture within this Activity Guide. Whether you are looking to start a new hobby, get active with your family this fall or look for new opportunities to get involved in your community, our excellent staff and instructors are here to assist. As we look ahead to the fall and winter seasons, I'd like to thank those who have contributed to Nanaimo's vibrancy over the past 150 years and invite the community to get involved through programs such as those offered in this Activity Guide and help us shape the future of this amazing city we call home.

Recognizing Nanaimo's 150 years of incorporation

In December 1874, the City of Nanaimo became the sixth municipality to be incorporated in British Columbia. Fast forward to 2024, and Nanaimo is known to be one of the fastest growing cities in Canada.

Nanaimo has a rich history dating back before its time as a coal mining, forestry, tech and tourist hub. The Snuneymuxw First Nation resides in the centre of Coast Salish territory on the eastern coast of Vancouver Island and encompasses one of the most magnificent and resource rich areas at the heart of the Salish Sea. Since time immemorial, the Snuneymuxw People have resided in Snuneymuxw Territory as the first peoples.

150 years of incorporation provides a chance to highlight the City's success and recognize its citizens and community partners who have contributed to Nanaimo's vibrancy over the last 150 years.

Leisure Swim: With its accessible beach and varying depths, the Leisure Pool is perfect to support those developing their swim skills or wanting to use water therapeutically for injury recovery. Float, walk or swim around the river, play in the spray features or practice your swim skills. The hot tub, steam room and sauna are open.

Shallow Water Aquafit: This is a high intensity cardio workout without the impact of dry land aerobics. Open to all levels and abilities.

Deep Water Aquafit: Strengthen and tone your body with this zero impact class. You'll achieve excellent cardio and strength training using water as resistance. Classes are done in deep water wearing a floatation belt.

Aqua Zumba: This class is perfect for those looking to make a splash by adding low-impact, high energy aquatic exercise to their fitness routine. Aqua Zumba® blends the Zumba® philosophy with water resistance for one pool party you shouldn't miss!

Shallow/Deep Combo: This is designed for both shallow and deep water aquafit enthusiasts. Enjoy the benefits of training your cardio, strength and flexibility in this water fitness class. The Nanaimo 150 corporate logo and street banner was designed by local artist Amy Pye. The designs were inspired by the convergence of land and sea, and the unique blend of urban and rural life that makes our landscape truly exceptional. Pye's design will grab attention and inspire thoughtful reflection throughout the year. '150' becomes more than just a number and instead takes on life and transformative shape as it tells its story:

- Rural tradition meets urban innovation in a harmonious visual balance between nature and our modern city as recognizable symbols of our diverse landscape transform the shape of the 1-5-0 and cascade down the banner
- Fertile countryside meets bustling city streets
- The flight of an eagle reveals the bounties of the sea
- A soaring seaplane finds the solid structures of an urban centre

These dynamic relationships are highlighted by the artist coming to life as balanced opposites.

NANAIMO YOUTH RESILIENCE STRATEGY

Building Safer Communities

Did you know?

The City of Nanaimo has been allocated \$1.8 million from Public Safety Canada (PSC) through the Building Safer Communities (BSC) Fund to develop and implement a strategic plan to address gun and gang violence and promote youth resiliency. Through this funding the Nanaimo Youth Resilience Strategy was created focusing on 6 areas to prevent youth from engaging in gun and gang violence. In July of 2023, the City launched the NYRS grants, and the top-scoring applications received funding for youth programs and services that launched in Fall 2023.

Hosackia pinnata (previously *Lotus pinnatus*, and also known as the Bog bird's-foot trefoil) was adopted by City Council as Nanaimo's floral emblem in 2010. It is a yellow and cream pea-like flowering perennial herb, grows in moist to wet habitat and flowers in the spring. Find this very rare gem in the Harewood Plains area.

People Living with Parkinson's NEW!

Using the Alexander Technique

Alexander Technique is an embodied approach that increases body awareness and assists in gaining more balance and a better sense of the body. Changing postural habits allows for better gate, more uprightness and more flexibility, as well as assisting in reducing muscle tone for less rigidity, reduced tremors and more fluidity in movement. Clinical studies have shown that AT is helpful for PLPD to gain better coping skills with postural challenges and day-to-day living. Acquire a better connection to oneself, a more positive outlook on life and more self-confidence!

Improve Posture, Change NEW! Movement Habits

Exploring the Alexander Technique

Use the Alexander Technique to improve posture, reduce stress, change habits and expand your awareness. This is a hands-on class where we explore the body's naturally efficient design for movement and understand how we interfere with it through ingrained habits. We will use practical experiments to learn how to notice tightening, release muscle tension, re-establish better balance and move with ease. Instructors will use visual, verbal and kinaesthetic (hands-on) cues to teach better movement. Participants should be able to do gentle movements of walking, sitting and lying on a mat.

Swimming Lesson Tips for Success

We are pleased to bring you the Lifesaving Society's Swim for Life Program to highlight the importance of swimming and water safety skills. Swimming can be fun and is also a necessary life skill. Help your child start swimming on the right foot.

- Evaluate your child's swim ability and choose a class level, date and time. Not sure of their ability? Stop by one of our pools during an "Everyone Welcome" swim session and have one of the lifeguards evaluate your child (depending on staff availability).
- Register for a class online or at one of our facilities early, as classes fill up quickly.
- Arrive early to check-in and familiarize your child with the facility. Please have your child ready for class at the start of the lesson time.
- Lockers are available and recommended. Tokens can be purchased from our front desk staff.
- Have your child go to the bathroom before lessons. Children who are not potty trained must wear a swim diaper (available for purchase at the front desk).
- All patrons must shower before entering the pool.
- Bring your child's towel onto the pool deck to keep your child warm before and after lessons.
- Please stay home if not feeling well.
- At the end of lessons, your instructor will recommend the appropriate level for the next set of lessons. Levels are frequently repeated to allow students to master skills and feel successful before moving onto a new level.

Arena Programs

Welcome to Nanaimo RECSKATE

RecSkate is a progressive skating skills training program for all ages and abilities necessary for life-long participation and the improvement of physical literacy as it relates to all sports. It provides the foundation for success in recreational hockey and figure skating. The program emphasis is on encouragement through comprehensive feedback. Participants receive a ribbon of achievement for each level passed, and upon completion of Level 7, skaters will receive a medallion of achievement. See our schedule on the following pages.

Boots to Blades 1 & 2

2 to 5 Years

Boots 1 is a perfect intro for those who have never been on the ice before or for those who have yet to master standing in skates. Skaters get a feel for the ice wearing shoes or boots and then graduate to skates at the discretion of the instructor. Parent participation is required.

In **Boots 2**, skaters start the program wearing skates, as they will have had some experience but still need to learn the basics. The focus for both levels is getting skaters comfortable through play and practicing some basic skills. Parent participation is required.

RecSkate 1

This introductory level of skating will help skaters learn to fall safely and get up unassisted, skate across the ice by themselves without falling and work on basic balance and gliding skills. This is not a parent participation class.

RecSkate 2

This is when it all starts coming together! Skaters at this level will begin to gain strength and speed and will work on two-foot gliding, touching toes and will be introduced to backwards skating. Other skills taught in this level are stopping, scoops, turning and hops.

RecSkate 3

This level focuses on skills, such as skating on a curve, side stopping and transitions. Skaters will also be introduced to circle thrusts, backward stroking and forward slalom skating.

RecSkate 4

At this level, participants master crossovers, inside edges and backwards stopping. Skaters will also work on side hops, mohawks and backward thrusts. This is an excellent level for hockey players to improve their basic skating skills.

RecSkate 5

Skills include forward outside edges, backward one-foot gliding, mohawks, backward crossovers, t-stops and one-foot jump transitions. This is great for skater agility, balance and strength.

RecSkate 6/7

RecSkate 6 is a challenging level which emphasizes balance, gliding and foot control skills. Skaters will also work on figure eight crossovers, jumping turns and other one-foot skills that increase balance, strength and agility.

RecSkate 7 is the final level of our RecSkate program. Backwards skills are emphasized, along with the introduction of two-foot full rotation jumps and one-foot outside edge stops. Backwards crossover figure eights and forward and backward pivot circles will be mastered. Skills taught at this level are demanding for all kinds of skaters, but the hard work will pay off!

Nanaimo's Poet Laureate

Since 2021, Kamal Parmar has served as the City of Nanaimo's Poet Laureate. As the City's literary ambassador, Kamal has captivated and inspired, sharing her passion for poetry with audiences of all ages. From free poetry readings, to mentoring local youth, to organizing creative poetry projects seen throughout the city, Kamal's passion and dedication is undeniable. Her contributions to the community while serving as Poet Laureate will continue to be felt for many years to come - a deserving legacy for an extraordinary poet!

As Kamal's term as Poet Laureate comes to an end this fall, we sincerely thank her for the creativity, dedication, and expertise she has shared while in this role. Thank you, Kamal!

Is it Fall?

by Kamal Parmar

Fall,
magical and breathtaking ,
exotic smell of rosy peaches,
dew drenched meadows dotted with grazing cows
that linger much after the day is done
and the amber sunlight fading into the approaching dusk.
Shadows no longer linger across vast stretches of rolling corn fields
as the blazing thread of summer pulls away.
Long Lake glistens silver,
kayaks and paddle boats glide over its silky waters
skirted by tall conifers and stately pines.
A lone seagull swoops low.
Swans fly westwards,
spearheading the autumn sky in a v-shaped necklace.
The ocean ringed by a row of snow-capped mountains,
dazzles a deep opal.
The earth's canvas a mosaic of blazing red of the maple
the dazzling yellow of the aspen and the birch.
The air is balmy and the sky speckled with a few fluffy clouds
that float high like balloons,
tinted with the amber light of the fading sun.
Every year, the Fall fairy greets Nanaimo,
its wispy wings, emblazoned in gold.
Who can ever forget the first blush of Autumn?
