

Pottery Programs

Handbuilding for Children 7 to 12 Years

Children will learn basic handbuilding skills - coiling, pinching, slab building and sculpting through project making. They will be encouraged to use their creativity to make each piece their own. Cost includes clay, glaze and firing. Dress for mess. Check our online Activity Guide for dates and times.

Bowen Pottery Studio

Pottery Wheel 13 to 17 Years

For those with little or no previous experience working with clay. Learn the basic techniques that will help you create pots, vases, bowls and pretty much anything that can be thrown on a pottery wheel. Clay, glazes and firings are included in cost. Check our online Activity Guide for dates and times.

Bowen Pottery Studio

Pottery Programs

Pottery Wheel - Adult Beginner

For those with little or no previous experience working with clay. Dip your hands into something new. Learn basic techniques that will help you create pots, vases, bowls and much more. Clay, glazes and firings are included in the cost. Check our online Activity Guide for dates and times.

Bowen Pottery Studio

Pottery Wheel - Adult Intermediate

Designed for those who have mastered the basic skills in a beginner class and want to learn more. Clay, glazes and firings are included in the cost. Participants must have completed a beginner class. Check our online Activity Guide for dates and times.
