! Cyclists destined for Hwy 1/19 southbound use Cranberry Ave and 14th Street to access highway.

Symbols to know

- Dedicated bicycle lane:**
Motor vehicles are not permitted to travel or stop in this lane unless making a right turn onto a cross street. Transit buses may stop at designated stops for passengers.

Shared pathway:
Indicates an off-street pathway shared by pedestrians and cyclists. Cyclists should yield to pedestrians.

Traffic Signal Sensor:
Indicates that the traffic signal is activated by sensors in the road and shows cyclists where to line up wheels to trigger the signal change.

Sharrow (Shared Roadway):
Indicates where cyclists should generally position themselves while sharing the roadway with other vehicles.
- Cyclists Dismount:**
Cycling is not permitted on these sections of pathway or sidewalk. Cyclists should dismount and walk their bikes.

Ride Safely
Follow the rules of the road: Cyclists have the same rights and responsibilities as drivers. The Motor Vehicle Act and City by-laws apply to cyclists too.
Remember
- Walk your bicycle on a sidewalk unless signs say cycling is allowed.
- Obey all traffic regulations and speed limits.
- Yield to all pedestrians crossing the routes including at zebra-marked bike path crossings.

- Signal before turning.
- You must use front and rear lights on your bicycle after dark.
- All bicycles must have a warning bell.
- Helmets are mandatory on all streets and pathways for everyone who is cycling.
