! Cyclists destined for Hwy 1/19 southbound use Cranberry Ave and 14th Street to access highway.

**Symbols to know**

**Dedicated bicycle lane:** Motor vehicles are not permitted to travel or stop in this lane unless making a right turn onto a cross street. Transit buses may stop at designated stops for passengers.

**Sharrow (Shared Roadway):** Indicates where cyclists should generally position themselves while sharing the roadway with other vehicles.

**Shared pathway:** Indicates an off-street pathway shared by pedestrians and cyclists. Cyclists must yield to pedestrians.

**Traffic Signal Sensor:** Indicates that the traffic signal is activated by sensors in the road and shows cyclists where to line up wheels to trigger the signal change.

**Cyclists Dismount:** Cycling is not permitted on these sections of pathway or sidewalk. Cyclists should dismount and walk their bikes.

**Ride Safely**  
**Follow the rules of the road: Cyclists have the same rights and responsibilities as drivers. The Motor Vehicle Act and City by-laws apply to cyclists too.**  
*Remember*  
- Walk your bicycle on a sidewalk unless signs say cycling is allowed.  
- Obey all traffic regulations and speed limits.  
- Yield to all pedestrians crossing the routes including at zebra-marked bike path crossings.

- Signal before turning.  
- You must use front and rear lights on your bicycle after dark.  
- All bicycles must have a warning bell.  
- Helmets are mandatory on all streets and pathways for everyone who is cycling.
