**Comments:**

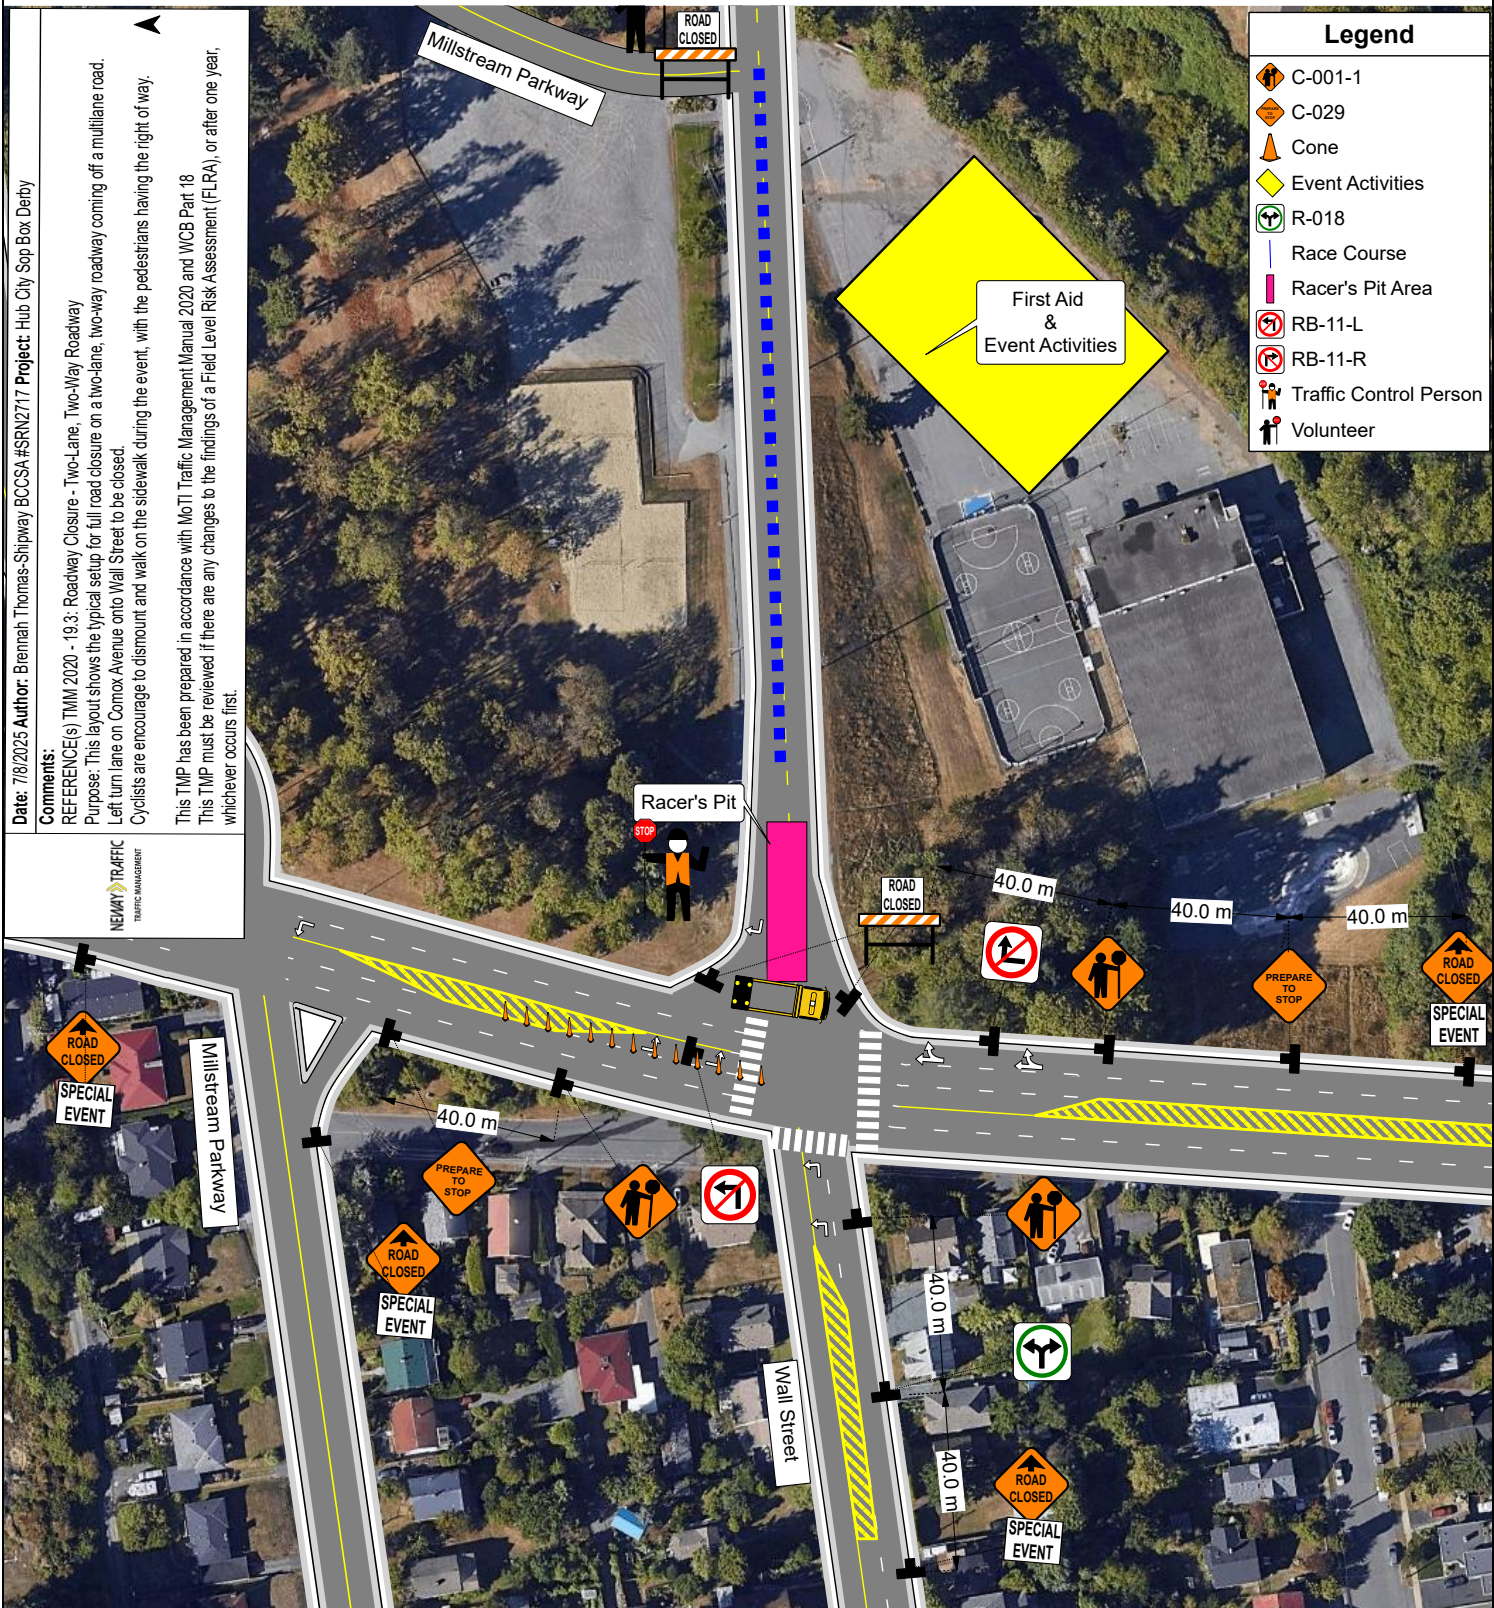

REFERENCE(s) TMM 2020 - 19.3: Roadway Closure - Two-Lane, Two-Way Roadway

Purpose: This layout shows the typical setup for full road closure on a two-lane, two-way roadway coming off a multilane road. Left turn lane on Comox Avenue onto Wall Street to be closed.

Cyclists are encourage to dismount and walk on the sidewalk during the event, with the pedestrians having the right of way.

This TMP has been prepared in accordance with MoTI Traffic Management Manual 2020 and WCB Part 18  
This TMP must be reviewed if there are any changes to the findings of a Field Level Risk Assessment (FLRA), or after one year, whichever occurs first.
