CITY OF NANAIMO MANAGEMENT REPORT

For the Year Ended December 31, 2015

The Council of the City of Nanaimo has delegated the responsibility for the integrity and objectivity of the financial information contained in the financial statements to the management of the City of Nanaimo. The financial statements which, in part, are based on informed judgments and estimates, have been prepared by management in accordance with Canadian public sector accounting standards, which have been applied on a basis consistent with that of the preceding year.

To assist in carrying out their responsibility, management maintains an accounting system and internal controls to provide reasonable assurance that transactions are properly authorized and recorded in compliance with legislative and regulatory requirements and that financial records are reliable for preparation of financial statements. These systems are monitored and evaluated by management.

The City of Nanaimo's independent auditors, KPMG LLP, are engaged to express an opinion as to whether these financial statements present fairly the City of Nanaimo's financial position and operating results in accordance with Canadian public sector accounting standards. Their opinion is based on procedures they consider sufficient to support such an opinion.

The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and in accordance with Canadian public sector accounting standards. These statements present, in all significant respects, the financial position of the City of Nanaimo as at December 31, 2015.

Tracy Samra, LL.B., LL.M.

INDEPENDENT AUDITORS' REPORT

To the Mayor and Council

We have audited the accompanying consolidated financial statements of the City of Nanaimo, which comprise the consolidated statement of financial position as at December 31, 2015 and the consolidated statements of operations, changes in net financial assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information, including the schedules of operations by segment and tangible capital assets.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the City of Nanaimo as at December 31, 2015, and its consolidated results of operations, its changes in net consolidated financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

for the year ended December 31, 2015

The City of Nanaimo (the City) was incorporated December 24, 1874 under a statute of the Province of British Columbia now known as the *Community Charter*. The principal activities of the City are preservation, protection and enhancement of the quality of life in Nanaimo through the facilitation of municipal services in an equitable, efficient and effective manner.

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

The City prepares its consolidated financial statements in accordance with Canadian public sector accounting standards as prescribed by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada. The following include significant policies that have been adopted by the City:

(a) Basis of Consolidation

The City's resources and operations are segregated into general, water, sewer, capital and reserve funds. The consolidated financial statements reflect the assets, liabilities, revenues and expenses of these funds.

(i) Consolidated Entities

The reporting entity is comprised of all organizations controlled by the City. These organizations include the Nanaimo Economic Development Corporation and the Vancouver Island Conference Centre.

(b) Basis of Accounting

The City follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of the delivery of goods or services and/or upon the creation of a legal obligation to pay. Expenses paid in the current period and attributable to a future period are recorded as prepaid.

(c) Government Transfers

Government transfers without stipulations restricting their use are recognized in the financial statements as revenue in the period in which the transfers are authorized, any eligibility criteria met, and reasonable estimates of the amounts can be made. Government transfers with stipulations restricting their use are recognized in the financial statements as revenues in the period in which eligible expenses are incurred provided they are authorized and eligible criteria are met.

for the year ended December 31, 2015

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(d) Cash and Cash Equivalents

Cash equivalents include short-term highly liquid investments with a term to maturity of 90 days or less at acquisition. Cash equivalents also include investments in the Municipal Finance Authority of British Columbia (MFA) Money Market Funds which are recorded at cost plus earnings reinvested in the funds.

(e) Portfolio Investments

Portfolio investments consist of term deposits and debentures which are expected to be held for a term exceeding 90 days. Investments are recorded at cost. When, in the opinion of management, there is a decline in value, other than a temporary decline, investments are written down to their net realizable value.

(f) Accounts Receivable

Accounts receivable are presented net of an allowance for doubtful accounts and therefore represent amounts expected to be collected.

(g) Development Cost Charges

Deferred development cost charges are restricted by legislation to expenditures on capital infrastructure and related debt servicing costs and operating projects. These amounts are deferred upon receipt and recognized as revenue when the expenditures are incurred in accordance with the restrictions.

(h) Deferred Revenue

The City defers a portion of the revenue collected from permits, licenses and other fees and recognizes this revenue in the year in which related inspections are performed or other related expenditures are incurred.

for the year ended December 31, 2015

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(i) Compensated Absences and Termination Benefits

The City and its employees make contributions to the Municipal Pension Plan. As this plan is a multiemployer plan, contributions are expensed as incurred. Compensated absences and termination benefits also accrue to the City's employees. The liabilities related to these termination benefits and earned sick leave are actuarially determined based on service and best estimates of retirement ages and expected future salary and wage increases. The liabilities under these benefit plans are accrued based on projected benefits prorated as employees render services necessary to earn the future benefits. Actuarial gains and losses on the accrued benefit obligation arise from differences between actual and expected experience and from changes in the actuarial assumptions used to determine the accrued benefit obligation. The net accumulated actuarial gains and losses are amortized over the average remaining service period of the active employees.

(j) Debt

Debt is presented net of related sinking fund balances.

(k) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They may have useful lives extending beyond the current year and are not intended to be sold in the ordinary course of operations.

(i) Tangible Capital Assets

Tangible capital assets are comprised of capital assets and capital works in progress, and are recorded at cost, which includes amounts that are directly attributable to acquisition, construction, development or betterment of the assets. The cost of the tangible capital assets, excluding land, are amortized on a straight-line basis over the estimated useful lives of the assets, commencing at the time the assets are available for use.

for the year ended December 31, 2015

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(k) Non-Financial Assets (continued)

(i) Tangible Capital Assets (continued)

Estimated useful lives are as follows:

Asset	Useful Life-Years
Land Improvements	10-60
Leasehold Improvements	15-30
Marine Structures	15-35
Buildings	10-40
Vehicles and Equipment	2-25
IT Infrastructure	4-10
Drainage	2-75
Transportation - Linear Infrastructure, Lighting and Signals	2-80
Sewer - Linear Infrastructure and Equipment	25-60
Water - Linear Infrastructure and Equipment	8-80

Tangible capital assets are written down to their residual value when conditions indicate that they no longer contribute to the City's ability to provide goods and services, or when the value of the future economic benefits associated with the asset are less than the book value of the asset.

(ii) Contribution of Tangible Capital Assets

Subdivision streets, lighting, sidewalks, drainage and other infrastructure assets are required to be provided by subdivision developers. Tangible capital assets received from developers are recorded at their fair value at the date of receipt and also recorded as revenue. The City is not involved in the construction and does not budget for assets received from developers.

(iii) Natural Resources

Natural Resources are not recognized as assets in the financial statements.

(iv) Works of Art and Cultural and Historical Assets

Works of art and cultural and historical assets are not recognized as assets in the financial statements.

for the year ended December 31, 2015

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(k) Non-Financial Assets (continued)

(v) Interest Capitalization

The City does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

(vi) Leased Tangible Capital Assets

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

(vii) Inventories of Supplies

Inventories of supplies are recorded at cost, net of an allowance for obsolete stock. Cost is determined on a weighted average basis.

(I) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Significant areas requiring the use of management estimates relate to the determination of compensated absences and termination benefits, collectability of accounts receivable, useful lives of tangible assets for calculation of amortization and provisions for contingencies. Actual results could differ from those estimates. Adjustments, if any, will be reflected in operations in the period of settlement.

for the year ended December 31, 2015

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(m) Adoption of Accounting Policy

(i) Contaminated Sites

The City of Nanaimo adopted the Public Sector Accounting Board Standard (PS) 3260 Liability for Contaminated Sites effective January 1, 2015. Under PS 3260, contaminated sites are defined as the result of contamination being introduced in air, soil, water or sediment of a chemical, organic, or radioactive material or live organism that exceeds an environmental standard. This Standard relates to sites that are not in productive use or where an unexpected event resulted in contamination. The City of Nanaimo adopted this standard on a retroactive basis and there were no adjustments to opening accumulated surplus as a result of the adoption of this standard.

NOTE 2 - ACCOUNTS RECEIVABLE

		<u>2015</u>	<u>2014</u>
Property Taxes	\$	4,437,849	\$ 5,199,630
Other Governments		3,741,578	4,816,958
Trade and Other		9,886,391	10,093,230

E 3 - DEVELOPMENT COST CHARGES RECEIVABLE			

NOTE

	<u>2015</u>	<u>2014</u>
Installments Receivable:		
2015	\$ -	\$ 258,496
2016	418,548	240,113
2017	350,356	
	\$ 768,904	\$ 498,609

Development cost charges are collected on the approval of a subdivision or the issuance of a building permit. These funds assist the City in the cost of development, including constructing capital improvements, operating projects and the related debt servicing costs. Installments receivable represent funds due from developers within two years and are secured by irrevocable standby letters of credit and/or cash on deposit. No interest is charged on these outstanding installments.

for the year ended December 31, 2015

NOTE 4 - PORTFOLIO INVESTMENTS

	<u>2015</u>			<u>20</u>	<u>)14</u>

	\$ 26,580,762	\$ 31,028,130

for the year ended December 31, 2015

NOTE 6 - COMPENSATED ABSENCES AND TERMINATION BENEFITS

The City provides certain post-employment benefits, non-vested sick leave, compensated absences and termination benefits to its employees. An actuarial valuation for these benefits was performed to determine the City's accrued benefit obligation as at December 31, 2013 and the results are extrapolated to December 31, 2015. Significant assumptions used in the valuation include a discount rate of 4.75%, inflation of 2% and compensation increases, excluding merit and promotion, of 3%. There are unamortized actuarial gains of \$153,663 (2014–\$160,813).

	<u>2015</u>	<u>2014</u>
Actuarial Benefit Obligation, beginning of year	\$ 6,476,781 \$	6,335,314
Unamortized Actuarial Losses, beginning of year	160,813	167,963
	6,637,594	6,503,277
Current Service Cost	457,118	427,832
Interest Costs	305,022	297,228
Benefits Paid	(567,661)	(583,593)
Amortization of Actuarial (Gain)	(7,150)	(7,150)
	6,824,923	6,637,594
Actuarial Benefit Obligation, end of year	6,671,260	6,476,781
Unamortized Actuarial Gain, end of year	153,663	160,813
Accrued Benefit Liability, end of year	\$ 6,824,923 \$	6,637,594

Actuarial gains and losses are amortized over 12 - 14 years, being the expected average remaining service period of the related employee groups, commencing the year after the gain or loss arises. The total expense recorded in the financial statements in respect of obligations under this plan amounts to \$601,836 (2014 - \$606,652).

Deferred Development Cost Charges - end of year	\$ 38,658,888 \$	41,398,345

NOTE 9 - CEMETERY CARE FUND

The City operates the cemetery and maintains a cemetery perpetual care fund in accordance with the *Cremation, Interment and Funeral Services Act*. The trust fund assets and liabilities are not included in the consolidated financial statements.

NOTE 10 - DEBT, NET OF MUNICIPAL FINANCE AUTHORITY (MFA) SINKING FUND DEPOSITS

The City issues debt instruments through the MFA pursuant to security issuing bylaws under authority of the *Community Charter* to finance certain capital expenditures.

\$46,847,697 (2014 – \$49,803,006) of debt is with the MFA. Payments of \$19,889,831 on the gross amount borrowed of \$66,737,528 are held in a sinking fund by the MFA. The remaining \$925,896 (2014 – \$1,056,997) is with the Royal Bank. The rates of interest on the principal amount of the MFA debentures vary between 1.6% and 4.82% per annum. The rate of interest on the Royal Bank debt is 5.48%.

	<u>2015</u>	<u>2014</u>
Total Outstanding Debt - beginning of year	\$ 50,860,003 \$	44,325,082
Reduction of Long-term Debt	(3,086,410)	(2,665,079)
Proceeds from long-term borrowing	-	9,200,000

NOTE 13 - COMMITMENTS AND CONTIGENCIES

(a) Liability Claims

In the ordinary course of business, various claims and lawsuits are brought against the City. The City records an accrual in respect of legal claims that are likely to be successful and for which a liability amount is reasonably determinable. The remaining claims, should they be successful as a result of litigation, will be recorded when a liability is likely and determinable. Liability insurance is carried by the City, subject to a deductible of \$25,000 per claim. Effective January 1, 2002, the City no longer has insurance coverage for claims filed after that date resulting from construction deficiencies related to building envelope failure.

for the year ended December 31, 2015

NOTE 13 - COMMITMENTS AND CONTIGENCIES (CONTINUED)

(b) BC Assessment Authority Appeals

As at December 31, 2015, there were various assessment appeals pending with respect to properties. The outcome of those appeals may result in adjustments to property taxes receivable for the current and prior years. The City makes a provision against property taxes receivable for the impact of appeals where the losses are likely and the amounts are reasonably determinable.

(c) Joint and Several Liabilities

The City has a contingent liability with respect to debentures of the Regional District of Nanaimo and the Regional Hospital District of Nanaimo, to the extent provided for in their respective Acts of Incorporation. Management does not consider payment under this contingency to be likely and therefore no amounts have been accrued.

The City issues its debt instruments primarily through the MFA. Demand notes are executed in connection with each debenture whereby the City may be required to pay certain amounts to the Regional District of Nanaimo. These demand notes of \$1,871,727 (2014 – \$1,956,891) are contingent in nature and given the low likelihood of payment are not reflected in the accounts.

The City is a participant in the Municipal Insurance Association of British Columbia (the Association). Should the Association pay out claims in excess of premiums received, it is possible that the City, along with other participants, would be required to contribute towards the deficit.

for the year ended December 31, 2015

NOTE 13 - COMMITMENTS AND CONTIGENCIES (CONTINUED)

(d) Colliery Dams

No liability has been recorded in the financial statements relating to the remediation of the Colliery Dams. In 2014, the provincial government of British Columbia directed the City of Nanaimo to remediate the Colliery Dams, resulting in construction of the Lower Colliery Dam Auxiliary Spillway commencing in September 2015. Construction is scheduled to be completed in April 2016. Commitments of \$1,203,395 related to the remediation are included in the amounts disclosed in Note 13 (g), and costs incurred to Decmber 31, 2015 total \$2,221,576.

(e) Subsidence of Mines

Continued existence of abandoned underground mines has resulted in risk to private land and public roads due to potential collapse or instability. The full impact of the abandoned mines and any potential liabilities are unknown at this time and a partnership with the Province of BC to complete studies to address any potential risks has been requested. No determination of the City's liability, if any, has been made and no estimate of potential loss can be made or recorded at this time. A liability will be recorded if remediation costs are determined to be likely and the amounts are reasonably determinable.

(f) Credit Facilities

The City has adopted a revenue anticipation borrowing bylaw to support a credit facility in the amount of \$6,000,000 with an interest rate of Royal Bank Prime Rate less 0.5%. This facility creates a floating charge on certain assets and undertakings of the City. At December 31, 2015, no amounts were drawn against this facility.

(g) Commitments

The City has \$7.8 million in open purchase orders at year end which have not been recorded in the financial statements. The funding for the majority of these obligations has been set aside in reserves for future expenditures. These amounts will be recorded in the period that the goods and services, to which they relate, are received.

(h) Guarantees

The City has guaranteed the amount of a \$2 million line of credit for the Port Theatre Society. Management considers the likelihood of payment on the guarantee to be low.

for the year ended December 31, 2015

NOTE 14 - ANNUAL BUDGET

These financial statements include the Annual Budget as approved by Council on May 4, 2015. No amendments subsequent to this date have been included. The following is a reconciliation of the budget presentation required for the financial statements and the annual financial plan bylaw:

	<u>2015</u>

NOTE 19 - MUNICIPAL PENSION PLAN

The City and its employees contribute to the Municipal Pension Plan (the Plan), a jointly trusteed pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer contributory pension plan. Basic pension benefits provided are based on a formula. The Plan has about 185,000 active members and approximately 80,000 retired members. Active members include approximately 37,000 contributors from Local Government.

The most recent actuarial valuation as at December 31, 2012 indicated a \$1,370 million funding deficit for basic pension benefits. The next valuation will be as at December 31, 2015 with results available in 2016. Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate with the result that there is no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the Plan. Contributions to the plan were:

	<u>2015</u>	<u>2014</u>
Employer Portion	\$ 5,048,233 \$	4,441,111
Employee Portion	 4,272,288	3,718,409
	\$ 9,320,521 \$	8,159,520

for the year ended December 31, 2015

NOTE 20 - FINANCIAL INSTRUMENTS

(a) Financial Risk and Fair Market Values

The City's financial instruments consist of cash and cash equivalents, portfolio investments, development cost charges receivable, accounts receivable and other assets, accounts payable and accrued liabilities and debt. The City does not hold any asset-backed commercial paper or hedge funds. The financial risk is the risk to the City's earnings that arises from fluctuations in interest rates, foreign exchange rates, and the degree of volatility of these rates. The City does not use derivative instruments to reduce its exposure to interest rate risk nor foreign exchange risk as management does not consider the risks material. Based on available market information, the carrying value of the City's financial instruments approximates their fair value with the exception of Portfolio investments for which market values are disclosed in Note 4.

(b) Credit Risk

The City is not exposed to significant risk from its accounts receivables. The City's tax base has a significant number of participants which reduces the concentration of credit risk. Credit risk is further minimized as the City has the ability to expropriate land in the event of non-payment of property tax receivables.

NOTE 21 - COMPARATIVE FIGURES

Certain comparative figures have been reclassified to conform with the financial statement presentation adopted for the current year.

NOTE 23 - SEGMENT REPORTING

The City's operations and activities are organized and reported by Fund. City services are provided by departments and their activities are reported in these funds. See Schedule of Operations by Segment (page 29).

GENERAL REVENUE FUND

Certain departments have been separately disclosed in the segmented information, along with the services they provide as follows:

Corporate Services

Consists of the City Manager's Office and the Corporate Services Department. The City Manager's Office assists Council to establish its strategic direction for the City and takes the lead role in managing the implementation of policy direction established by Council. The Office also provides managerial leadership and direction to all City departments and operations.

Providing service to both the internal organization and the community, the Corporate Services Department is responsible for five key areas – Legislative Services, Human Resources and Organizational Planning, Information Technology, Financial Services and Purchasing, and Community Development Administration. The Corporate Services Department is also the liaison to the Nanaimo Economic Development Corporation, the Vancouver Island Conference Centre, the Nanaimo Port Authority and Snuneymuxw First Nation.

Development Services

Development Services is responsible for a variety of tasks relating to planning and development. This includes processing development applications and developing related policies and regulations.

Social and Protective Services

The Social and Protective services department is responsible for the City's regulatory services, including the bylaw, animal control, and parking functions. Protective services include emergency management, planning and coordination functions.

for the year ended December 31, 2015

NOTE 23 - SEGMENT REPORTING (CONTINUED)

Fire

The Fire Department has the responsibility of protecting the City's citizens and infrastructure through prevention and quick and high quality response to fire, medical and other emergency incidents in the most effective and responsive manner possible.

Police

The City contracts the Royal Canadian Mounted Police to provide top quality policing services in Nanaimo. With administrative support services provided by City employees, the detachment provides all standard policing services, including response to emergency and non-emergency calls, criminal investigations and traffic safety measures.

Culture and Heritage

The Culture and Heritage department fosters the importance and visibility of cultural vitality in Nanaimo. This department facilitates cultural planning and development and also focuses on heritage conservation.

Parks, Recreation and Environment

The Parks, Recreation and Environment department manages, facilitates and maintains a system of services, facilities, parks and open spaces and works to enhance the quality of life for the citizens of Nanaimo.

Engineering and Public Works

Engineering and Public Works is responsible for the planning, design, construction, operation and maintenance of the City's infrastructure including the City's water, sanitary sewer, drainage and transportation infrastructure. Department operations also include maintenance of the City's fleet, cemeteries, solid waste collection and recycling.

SEWER SYSTEM

The City Sanitary Sewer Utility is a self-funded entity that operates and maintains a sewer collection system that serves the City.

for the year ended December 31, 2015

NOTE 23 - SEGMENT REPORTING (CONTINUED)

WATERWORKS

The City Waterworks Utility is a self-funded entity that delivers water to residential, commercial and industrial premises in Nanaimo. The Utility operates and maintains a supply system consisting of dams, transmission mains, reservoirs and treatment facilities as well as a distribution system.

RESERVE FUNDS

These funds have been created to hold assets for specific future requirements pursuant to the Community Charter. For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Taxes, grants in lieu of taxes and any revenues not directly attributable to a segment are apportioned to the General Revenue Fund services based on the net annual budget.
